

Verse 1

Thought I was the girl of your dreams
Never knew you were playin' me
Now that I know the truth
Boy you got me confused
And this aint no place for me to be
But after all is said and done,
feelings don't go away overnight.
People say time heals all things.
I hope their right

Cause....

Chorus

I'm senseless.
It's pointless.
I say I don't care.
But I still feel you there.
I'm senseless.
It's pointless.
Why try fighting it?
I know when to quit.
This push and pull that I feel
Is not going away.
The harder I try,
The longer it stays.

Verse 2

I've been feeling like such a fool
When it's obvious you've made up your mind.
What am I supposed to do?
Try to get over you
See babe you're so close to my heart
But after all is said and done,
I'll try to be strong; dry my tears.
Knowing you're happy now,
Makes them disappear.

But still...

Chorus

I'm senseless.
It's pointless.

I say I don't care.
But I still feel you there.
I'm senseless.
It's pointless.
Why try fighting it?
I know when to quit.
This push and pull that I feel
Is not going away.
The harder I try,
The longer it stays.

Rap 1

Freddie P, any problems call me.
Know how I get down, I hit the bridge, the coda.
On my life, 4/4.
I know you're feeling down, we'll get over that hump. Quasimodo.
Tokyo, Ice, nevermind the price.
If I cheat, I make it up. Stay in my life.
Cold nights I felt alone, you kept me strong and warm.
Senseless, don't be vindictive. Can't picture you gone.
Hit my phone up anytime, Ill come running like police behind.
Tip toes, both feet in the grind.
When I hit it, its hard to walk like a broke spine.
I hit it up, right?
Cloud nine, that body heavenly.
Cloud nine, that body heavenly.

But still...

Chorus

I'm senseless.
It's pointless.
I say I don't care.
But I still feel you there.
I'm senseless.
It's pointless.
Why try fighting it?
I know when to quit.
This push and pull that I feel
Is not going away.
The harder I try,
The longer it stays.

Outtro

I'm so senseless so senseless. Im so senseless so senseless.
Senseless. Senseless.
I'm so senseless so senseless. I'm so senseless so senseless.
I'm on the defense list, come on watch me do this.
Ooooooh.

Rap 2

Sometimes its harder to let go if you are trying not to feel.
Just accept that your heart needs time to heal.
Sometimes to know what's good, we have to feel what's bad.
Not look at what we've lost but what we have.
Human emotions are a beautiful thing.
Catapult yourself from point A to point B
Don't deny them or they start accumulating.
Only then can you ever really start to see
Into a compositional force to be reckoned with.
So just go with the flow. Go along for the ride.
Like fuel to a fire; spreading too fast to control it.
And come out stronger and wiser on the other side.
